America's Family Coaches

By Tom Gozinske

The Rosbergs are, indeed, America's Family Coaches, and have the God-given gift of communicating the needs of husbands and wives. They not only provide specific coaching, but also include fantastic examples to illustrate that!

If you're thinking about marriage or are in one and want to "divorce-proof" it and live to fulfill your spouse's needs, they are the authors for you. If your marriage is on the rocks, with God's help, they provide you a road back. Remember, your marriage is not about you, it's about honoring God and fulfilling your mate.

Live to honor Jesus as the third partner in your marriage! Keep your marriage safe from temptations. Openly communicate with your spouse. The Rosbergs tell you how to do it!

right on target with what we need right now.

By Jim Cordero

If only we knew and followed these principals from the start, what a difference it could have made in our and our children's life. So much pain and regrets could have been prevented. This is an answer to some of my deepest prayers and not a moment to soon. There is hope.

I recommend this to both those who have a broken marriage and those who think they have a good one. I now have a personal application to the saying, "good is the enemy of great". I recommend this to those thinking about marriage, engaged, newly married, and in their golden years.
