Above the Fold is a book about the fundamentals of clear graphic communication within the context of Web design. The book has three sections, which follow the cycle of a typical Web project:

- **PLAN**

Section I focuses on the predesign phase of a Web project. From project planning and brief writing to information architecture and responsive grid creation.

- **DESIGN**

The second section of Above the Fold explores the enduring principles of design and the nuances that are specific to the field of Web design.

- **OPTIMIZE**

Finally, we close the loop and discover ways to enable your client to maximize the investment they've made in their Web site with marketing and analytics.
