amazing

By Berkay Ayanoglu

When i saw that somebody else has given 1 star rating, i was shocked and wanted to write this review.

This game is about mixing spies with horrors-aliens-technology and conspiracy theories.

fantastic game with savage worlds ruleset.

One of the best rpg games so far made for SW.

Wonderful

By Cody Vandenberg

A magnificent game for a good price. Covers everything needed for straight spy games, horror espionage and more. I eagerly recommend this product with no reservations.

Ignore 1star troll review

By DoBot

I own this excellent sourcebook and wanted to write a honest review,the 1 star review sounds like a basement troll who must have slipped his ankle chain and wrote a review before he got beating with a cane and sent back to the pommel-horse room.I found this to be a great addition to my horror campaign,and frankly worth every bit of its modest price tag,highly recommended.
