Review

'Absolutely engaging... There is so much mystery here...' Joanna Daneman (USA) #1 HALL OF FAME AMAZON REVIEWER

'The ending is extraordinary... Read this novel!' Bob Buchanan

'This book is that fresh new approach we are always looking for. I really cannot recommend this book too highly... Five stars simply aren't enough...' Lloyd Tackitt (Bestselling author of the EDEN series)

'A cracking novel... Well worth checking out...' Scott Pack, Head Publisher, HARPERCOLLINS

'This book is surprisingly powerful... It builds to a gripping conclusion...' Tahlia Newland, Bestselling author / awesomeindies.net

'Why am I writing a review for Big Sound Temple? Simple: it seems a more practical way to get people to read the book than standing on a street corner screaming at people to GO BUY THIS BOOK. That's really what I want to do. It is that good...' Amazon Junky

'The characters who drive the plot - Hiro's uncle, the unscrupulous and unforgiving moneylender; Sakura, Hiro's ersatz girlfriend; Wendy, a motherly English tutor from New York; and Bad Boy, a schoolyard bully turned gangster... How skillfully this book has been written!... A pleasure to read and absolutely recommended...' readersfavorite.com

'Ben Stevens is a fascinating writer... It is a charming marriage of Japanese and English that makes this story sing...' Grady Harp (Los Angeles, CA United States) (#5 HALL OF FAME AMAZON REVIEWER) (VINE VOICE) (TOP 100 REVIEWER) (REAL NAME)

From the Author

'Absolutely engaging... There is so much mystery here...' Joanna Daneman (USA), #1 HALL OF FAME AMAZON REVIEWER

'Fiendishly Clever...' GOODREADS

'...It begins with THE CURSED TEMPLE, which introduced the reader to Stevens' cult-hero, Ennin. I've lost count of how many Ennin mysteries have followed... But I know that they are (bar a few slightly 'average' efforts) bloody good, and deserve significantly more recognition than they have had so far.

'Had Stevens set his 'murder-mysteries' in a far more popular - and commercial - field (1920s whodunit, for example), utilizing exactly the same plots just in a different setting, I am certain he would be topping the bestseller list. But like his creation, he eschews mass-popularity, while creating a world (sometimes a little fantastical) which wholly draws in the discerning reader...

'No longer is Ennin a 'Japanese Sherlock Holmes knock-off', as one pithy reviewer once remarked. (The review was otherwise quite complimentary.) Ennin has very much become his own man - life and liberty to some, but almost cold-blooded death to others.

'Similarly, his sidekick Kukai shows surprising depths, particularly in the 10th Ennin THE BLACK DEATH... Read almost any Ennin - or, even better, treat yourself to the 45-story collection - and you'll see what I'm talking about. Ennin blows most other 'murder-mystery' short stories out of the water - and it's high-time that a great deal more people realized this...'

BUDDHA: A SHORT BIOGRAPHY (+ FAMOUS BUDDHA QUOTES) BY BEN STEVENS PDF

A short biography of the Buddha.

Based upon a translation of a Japanese biography of the Buddha, prepared for English-speaking visitors to the Buddhist temple ??? ('Daionji') in Nagasaki City, Japan.

Other books, based upon the six years (so far) the author has spent at this temple, include **CONFESSIONS OF A JAPANESE TEMPLE GARDENER & BIG SOUND TEMPLE**.

Updated 10/15 to include several pages of famous quotes attributed to Buddha.

From the author of the cult-classic **BIG SOUND TEMPLE**

'Absolutely engaging... There is so much mystery here...' Joanna Daneman (USA), #1 HALL OF FAME AMAZON REVIEWER

'The ending is extraordinary... Read this novel!' Bob Buchanan

From the Bestselling author of **THE ENNIN MYSTERIES**.

AMAZON / Goodreads / Web reviews

'By the second chapter I was ensconced in a far-away land and culture in a way that I have rarely, if ever, been.... Five stars simply aren't enough... Well done, Mr Stevens, well done...' Lloyd Tackitt

'I loved loved loved this book...' Beth Zuschlag

'Lose yourself in Hiro's world... Heartily recommended...' Ghengiz Jones

'Just incredible... Finished reading as dawn was breaking, and couldn't stop thinking about this book for quite some time afterward... It truly has that effect...' Readers Best

'This is a touching story... I really enjoyed it...' Joanna Danemann

'A fast-paced and often witty read. Also very informative on Japanese culture...' Anna Loxton

'I can't say much about the end... Essentially, it shows what turns an ordinary man into a hero... The story builds to a gripping conclusion... Well done, Mr Stevens...' Awesome Indies

'A unique story about people with heart...' Gail Watkins

'This book had a way of popping back into consciousness long after I'd closed it....' Tahlia Newland, Bestselling author

'One of the most startingly original books I think I have ever read... An extremely talented writer - you need to read this now!...' TJK

'I really enjoyed this book... I would like to read a sequel...' Pam Metropolis

'The ending is extraordinary... Read this novel!' Bob Buchanan

'A writing style that will engage every sensitive reader and likely encourage reading the entire book at one sitting...' Grady Harp

I found a lot of meaning in the quotes at the end.

By Amazon Customer

The quotes had a lot of meaning to them for me in my life. I'd like to read into some more history of Buddha.

0 of 0 people found the following review helpful.

Fast read and good intro

By Brian D. Rogers

This book is a very simple overview of Buddhism, and generalizes the history of the faith. The book ends with some pretty cool quotes. I didn't expect more than what the title claims. Keep that in mind and you'll be fine!

Buddha simplified

By Gary L. Staton

Short and informative book on buddha. Enlightening and informative. The sayings are soul searching. Enjoyed and recommend to others. Good read.
