A great book to have on hand

By Gayle Roberts

This is a great book for any veterinarian who works a lot with rabbits and guinea pigs. I had a hard time finding it and even a harder time receiving it, but it was well worth the expense and the wait. It was in great condition.

Good but heavy!

By Gaviota

A good friend brought this book to me from WA, because i need it for my master degree investigation. It is very interesting and useful, but it is heavy and difficult to carry it.
