Very Good Bread Machine Book

By J. L. Hewes

Wanless explains the "why" and "how" in addition to providing great recipes. The Dansk Whole Wheat and the Real Raisin Bread are my favorites from all four bread machine books I now own. He gives his wife credit for her additions to the book. Maybe she should be on the cover and title page.

At last... Fabulous!

By C. Nix

Finally--a book I can understand! I have been dabbling in breadmaking for several months--usually with bad results. The instructions are super, super clear. This book has answered several questions for which I have been looking for answers!! This author makes the processes so clear! I have been mesmerized reading and rereading the book since it arrived in the mail today! I HIGHLY RECOMMEND this book! Definitely breadmaking in a bread machine made easy!
