An appealing, stunningly designed full-color cookbook featuring more than 100 recipes for favorite food and drinks from the Egg Shop, New York City's beloved all-hours brunch-and-cocktails hangout.

For first-time restaurateurs Demetri Makoulis and Sarah Schneider and chef/partner Nick Korbee, eggs aren't just an easy, protein-packed breakfast go-to, but an extraordinary complement to New York's wealth of local produce and artisanal meats, grains, and cheeses. With Egg Shop anyone can create their delicious Egg Shop experience at home—whether it's a quiet breakfast for one or a boozy brunch for twenty.

Inside you'll find proper egg-cooking techniques as well as instructions on incorporating eggs into super-delicious dishes from the health-conscious to the decadent, using fresh, delicious ingredients: homemade seeded rye bread, the best-quality bacon, and the perfect melting cheese. After mastering the most common and useful egg cooking methods (scrambled, poached, fried) Nick Korbee teaches you how to unlock egg superpowers—coddling them in Mason jars full of truffle oil and basting them with coffee-infused compound chocolate-bacon butter.

Egg Shop includes flavorful favorites like Eggs Caviar, Classic Eggs Benedict, Pop's Double Stuffed, Double Fluffed American Omelet, Egg Shop Egg Salad, and The Perfect Sunny Up. Nick shows how to build on those basics to create sandwiches, bowls, and other egg-citing dishes such as:

- Egg Shop B.E.C with Tomato Jam, Black Forest Bacon, and Sharp White Cheddar
- The "Fish Out of Water" Sandwich with Pickled Egg and Cognac-Cured Gravlax
- Green Eggs and Ham Sandwich with Double Cream Ricotta and Genovese Pesto
- The Spandexxx Break Bowl with Red Quinoa, Pickled Carrots, and Poached Eggs (every model's favorite low-carb feast!)
- The California Breakfast Burrito and more!

Infused with the creativity and playfulness that makes Egg Shop a one of a kind culinary treasure, Egg Shop is the home cook's perfect egg-scape.

Great cookbook!

By Amazon Customer

I live in Los Angeles and Egg Shop is always one of my first stops when visiting NYC. So when I found out they were releasing a cookbook I immediately pre-ordered it so I could enjoy my fav dishes year round. And it does not disappoint - it goes above and beyond the dishes in their restaurant to give you a full step-by-step on how to become an egg cooking pro. It's also written in a humorous, light-hearted way that makes you actually want to read it (and not just look at the photos). Highly recommend it for anyone who loves brunch, egg sandos or omelettes for dinner!
