Welcome back to Gansett Island! You first met Grant McCarthy in *READY FOR LOVE*. I have to admit he was a bit of an enigma to me because he's not like a lot of my guys who know exactly what--and who--they want and go after it (her) with all their considerable charm. Grant is rather conflicted. His heart is telling him one thing while his body is sending him a different message altogether. After *READY FOR LOVE*, a lot of you were evenly divided between Team Abby and Team Stephanie. As the architect of Grant's story, I had to choose the best woman for him, and I hope you'll agree with my decision. In this book, you'll hear from some of our old favorites and meet some new friends.

Writing about this family and their life on an island so much like my beloved Block Island has been the most fun I've ever had as a writer. Thank you for embracing my fictional family and for all the lovely reviews you've posted. I appreciate your e-mails and Facebook posts more than you'll ever know. I always love to hear from readers. You can reach me at [marie@marieforce.com](mailto:marie@marieforce.com). If you're not yet on my mailing list and wish to be added for occasional updates on future books, join here. Also, join us on Facebook at Marie Force Book Talk where we talk about my books, other books and lots of stuff that has nothing to do with books! You can also join the fun at the McCarthys of Gansett Island Reader Group where we talk about important topics such as which of the Gansett Island men we wouldn't kick out of bed. When each new book is released, we form a separate group to dish about the new story. Join the *Falling for Love* Reader Group when you finish the book.

While *FALLING FOR LOVE* is intended to be a stand-alone story, you will enjoy it more if you have read *MAID FOR LOVE*, *FOOL FOR LOVE* and *READY FOR LOVE* first.

Thanks to my brilliant behind-the-scenes team: Linda Ingmanson edits for me, Jessica Jones and Mike Myers proofread and Kristina Brinton has taken over the cover design job.

As of January 2012, I became a full-time writer. Thanks to all the wonderful readers who made it possible for me to realize a dream come true!

XOXO

Another Gansett Island winner from Marie Force! A Must Read for sure!

By Amazon Customer

Grant McCarthy was the McCarthy brother who left Gansett to seek his fortune in Hollywood as a writer. He finds himself disillusioned and in a writing slump, after winning an award, then his girlfriend Abby leaves him and returns to Gansett, because he only cared about his career and ignored her. He returns to Gansett for the family weddings, to find out that Abby is engaged to another guy, and he decides to get her back. Along the way, he meets Stephanie who works for his father, Big Mac, at the marina restaurant/snack bar. Stephanie is dealing with a weighty legal and financial problem, and Garrett decides to help. In the course of helping her, Garrett realizes that maybe, just maybe, Abby was right to walk away, and he sees so much more in Stephanie than he ever did in Abby.

falling in love with the McCarthys of Gansett Island

By Sheri D

I am falling in love with the McCarthys of Gansett Island. The characters are introduced and follow each book so you come to know them very well and love them or hate them all. Even the characters who are not so nice have their good side. Nice summer reading

Good reads about family lives.

By Missahattie

I'm enjoying this series of books. The first 3 were together but now I've had to buy future ones separate. Wish they came in threes each time. This series is about 12 books.
