FISH & SHELLFISH BY RICK STEIN PDF

The definitive, classic guide to preparing fish and shellfish is reissued with a sumptuous new design, new recipes, and additional photographs

Rick Stein's lifelong passion for cooking fish and shellfish has formed the foundation of his award-winning restaurants and taken him around the world, discovering innovative new recipes, exciting ingredients, and the best preparation techniques. In this completely revised, updated, and re-designed edition—including brand new recipes—of his classic Seafoods, he offers comprehensive and inspirational how-to's for choosing, cooking, and enjoying fish, shellfish, and more. It includes a step-by-step guide to more than 60 essential techniques to prepare all types of seafood: from poaching and salting fish to cleaning mussels and cooking lobster. Based on the methods taught at his Padstow seafood school, every step of Rick's advice is illustrated with photographs for perfect results. More than 120 recipes from across the world include light salads, delicious starters, and spectacular main courses—from Monkfish Vindaloo and Rick's own version of Salt and Pepper Squid to deliciously simple classics like Grilled Sardines and Clams with Garlic and Nut Picada. Complete with tips on buying, storing, and sourcing sustainable fish, this is the essential companion for any fish-lover's kitchen. Includes metric measures.

Hands down the best book on Fish - Don't look elsewhere.

By bryan kendall

The best book ever written on determining quality, determining freshness, purchasing, selecting, keeping, preparing, filleting, cooking and serving fish. He is not afraid to tackle the more uncommon fish, too.

Hands down - Don't look elsewhere. I have many books in fish and this is the bible. High Quality. Well

edited.

If you like fish, a bitand want to know more, get this book. It will change your eating habits forever.
Can be used by experienced professional chefs - as well as ordinary guys who cook, like me.
