Wonderful historical fiction!

By Sunil Kapadia

John Balian has created a fantastic work of historical fiction that is both educational and inspiring. The book follows a young boy, Hanna, through the racism and oppression he experiences as an Armenian Turk. From the start, I found myself deeply sympathetic to Hanna's situation, and by the end I had gained a new perspective on the ethnic tensions that affect so many in the region. Dr. Balian's vivid writing style kept me entertained and guessing throughout, and made me feel as if I was right there with the story's many intriguing characters. I know I've read a good book when I don't want it to end - this was certainly the case with *Grey Wolves and White Doves*! I am eagerly looking forward to the next one.

A "can't put it down" adventure !

By Craig

*Gray Wolves and White Doves* by Dr. John Balian is a "can't put it down" adventure/thriller which rivals Billy Hayes's incredible escape from the "gray wolves" in the Academy Award winning 1978 "Midnight Express". Both stories are based on non-fictional events and told through the direct experience and perspective of the authors and occur in the same time frame and geography.

In Balian's story, a young boy overcomes nearly insurmountable odds, oppression and danger through a journey that takes him from the wheat fields of Anatolia, to the birth place of Jesus Christ and finally to salvation and safety. It's a journey that takes a child to manhood packed with experiences that could only be had in a hundred lifetimes.

Upon finishing this book one can only hope for two things; first, like that of *Midnight Express*, this story gets told in the theatres and second, there is a sequel in the works. This reviewer believes we may have uncovered the next Grisham, Patterson and DeMille!
