Good to practice with

By lena

Good to practice with, to refresh your shorthand with its dictation. Today offers short, shorthand. but this is the original and still if practical in any doctors office, lawyers office, It is the original. Anyone that had the opportunity to learn this as a skill is bless, believe me. I still use mine.

Memories Long Lost Refound!

By Toyboy

When I seen this listing for the Diamond Jubilee series of Gregg Shorthand, I had to order it. I had th '63 Edition, but it was lost long ago. I used this while taking notes in college...big time saver. Thanks Amazon.

either just like this or similar

By Karen Oliphant

This is what I needed b/c I've forgotten how to write some words. I have another book, either just like this or similar, but I can't find it. This one is a little worn b/c it's a library addition, but it works.
