Fun book. I wish some of my high school ...

By David A. Novak

I am involved in a number of adult education events in my parish, including visits to museums and libraries. I found this book filled with witty insight that probes the possibilities of engaging a diverse group of people around a common experience--and coming away cheered and more enlightened than at the beginning. Thank you. Fun book. I wish some of my high school teachers had been familiar with this book.

I had expected far more depth about visiting an art ...

By L. Berns

I had expected far more depth about visiting an art museum rather than these brief comments. I didn't learn anything that I could apply to my own visits or the tours I give at an art museum
