Certainly, after downloading and install Hoyos (El Barco De Vapor) (Spanish Edition) By Louis Sachar, you might not publish it.

From Publishers Weekly

Grade 5-9-First published in English in 1998 by Farrar, Straus & Giroux, Sachar's novel about delinquent boys at a bizarre prison camp has been translated into at least 16 languages and has received several major awards including the Newbery. The adolescent Stanley Yelnats is sent to a work camp in Texas after being falsely accused of a minor crime. The sole occupation of the inmates is to dig deep holes in the hard floor of a dried-up lakebed where Campamento Lago Verde (Camp Green Lake) is now situated. The Yelnats family history dates back to an ancestor who had once lived in the same area where the prison camp is now operated. This historical narrative is revealed in occasional chapters interspersed throughout the novel. As Stanley learns to survive in this harsh prison, he begins to realize that his fate is irrevocably tied to the past. The two plots intertwine as Stanley takes control of his own fate and in the process reverses the family curse. There are many YA themes in this well-crafted story: teenage alienation, bullying behavior, tough kids who turn out to be needy, arbitrary authority figures who wield their power despotically, coming of age, and more. Abos has provided an above- average translation with only a few rough spots. Recommended for bookstores and libraries. Maria Otero Boisvert, "Criticas"

About the Author

When Louis Sachar was going to school, his teachers always pronounced his name wrong. Now that he has become a popular author of children s books, teachers all over the country are pronouncing his name wrong. It should be pronounced Sacker, like someone who tackles quarterbacks or someone who stuffs potatoes into sacks.

Mr. Sachar received a B.A. in economics from the University of California at Berkeley. His first book, Sideways Stories from Wayside School, was accepted for publication during his first year of law school. After receiving his law degree, he spent six years asking himself whether he wanted to be an author or a lawyer before deciding to write for children full-time. His books include Wayside School Gets a Little Stranger, There s a Boy in the Girls Bathroom, Wayside School is Falling Down, Dogs Don t Tell Jokes, and the Marvin Redpost series.

Louis Sachar lives in Austin, Texas, with his wife and their daughter, Sherre.

Good book for the money

By South Arkansas Migrant Education Cooperative

I needed this book for a student and took the chance that I could buy it used. It looked very good when I got it. The student was thrilled to be able to understand what was being said about the book. Wish I could find more books in Spanish.

excelente libro

By Amazon Customer

me encantó este libro desde que lo trabaje con estudiantes de tercer grado, ahora planeo usarlo con quinto grado. Sobretudo cuando se regresa en el tiempo y como todos los eventos van ligados con el desenlace.

Engaging novel

By P. Miller

Needed something meaningful for a pair of recently arrived English learners scheduled into a basic exploratory Spanish class for the second consecutive semester, and this middle school classic fit the bill perfectly. The boys were hooked in no time by the intriguing plot and engaging main character.
