So, it will certainly not need more times or perhaps days to pose it as well as other publications.

I'LL HOLD YOU IN HEAVEN BY JACK HAYFORD PDF

What happened to my baby after he or she died?
Will I ever see my baby again--and will I recognize him?
What happens if I've had an abortion?
Does God have a reason for letting my child die?
How can I help a friend who's experiencing grief?

With compassionate answers for your troubling questions, God's Word shines with hope in the dark night of human pain. God showed His tenderness when David lost a child he had with Bathsheba. In his pain and grief, David spoke the word of revelation--the reassuring word of God's truth--saying, "I will go to [my child] but he will not return to me" (2 Samuel 12:19-23).

As Pastor Jack Hayford says, "This isn't myth, fable, legend or a selection of poetic thoughts for the sorrowful. This is truth to set us free. Here we are specifically freed to expect to meet children in heaven, to recognize them and to be with them."

Let Jack Hayford show you the freeing truth of the Word of God and its promise that one day, like David, you will hold your child in heaven.

This book belongs in every church library!

By Christian Bookshelf

What happened to my baby after he/she died? Will I ever see my baby again-and will I recognize him? What happens if I've had an abortion? Does God have a reason for letting my child die? How can I help a friend who's in grief?

These are some of the questions addressed in this thought provoking book. Pastor Jack Hayford approaches the subject in a manner which makes the reader feel he truly empathizes with the situation.

As Pastor Hayford says in his book, "This isn't myth, fable, legend, or a selection of poetic thoughts for the sorrowful. This is truth to set us free. Here we are specifically freed to expect to meet children in heaven, to recognize them and to be with them."

I've had three miscarriages, and wish I'LL HOLD YOU IN HEAVEN had been available for me to read when I was recovering. Not everyone understands what the mother is going through as some offer inane remarks that are not always comforting. In I'LL HOLD YOU IN HEAVEN, Pastor Hayford offers encouragement not only to the mom who miscarried, but also to the parent who lost a baby days or weeks after birth, and to the woman who aborted her baby and later regrets her decision.

If you know someone who recently lost a baby or if you're going through that sorrow yourself, I'LL HOLD YOU IN HEAVEN is a great book to read. It's a book which should be in every church library so it can minister to those hurting. A Remembrance book is also available. I recommend I'LL HOLD YOU IN HEAVEN.

First book to give grieving parents.

By A Customer

Two days after Christmas, in 1994, my baby died. She had not even been born yet; actually her life was only a few weeks old as she had only been conceived the first part of that month. But oh, how I grieved!

Noel was conceived in the midst of a long struggle with infertility. She has been our only *known* conception in all these years of trying to get pregnant, but my doctor and I think that I may have had several other miscarriages too early to know that I had even conceived.

I know that my babies aren't here anymore. I will never get to celebrate their births, nor watch them grow up. But where are they now? What happened to them? Were they ever really even "people"? _I'll Hold You in Heaven_ offers great assurance from the Bible that yes, my babies were and are very real. They have souls and are precious in God's sight. I have hope that I will see them again in Heaven some day where I will finally be able to hold my precious children and tell them just how much they have been loved and mourned on this earth.

I am now the director of a large Christian support organization designed to minister to couples hurting from the pain of infertility, pregnancy loss, or early infant death. I have a library of well over 100 excellent books on these issues, but _I'll Hold You in Heaven_ is the first book I try to encourage newly bereaved parents to read. It is small enough not to overwhelm, yet powerful enough to really help a couple begin their grieving and healing process. It positively deals with several different kinds of loss including miscarriage, stillbirth, abortion, and early infant death.

The Perfect Book for the Situation

By Kyle C. Duncan

My wife and I have grieved the loss of 4 babies - three by miscarriage and 1, our son, Joseph, who died at 3 days old. So, unfortunately, I am the heart of the target audience for this book :) I can say that no other book on the subject has helped us as much as this little volume. If you are dealing with the grief that comes from losing a baby, this is a wonderful, comforting book that is biblically based and solid.
