I love someone from India and getting to know a bit ...

By Anja Young

Paratha is a new term for me, so the concept is fresh too. I have a grand time reading this book because it made me understand a part of the Indian culture more. I love someone from India and getting to know a bit of his culture and life is very important for me. This book has some amazing recipes too. I hope to try them so that I will feel a little closer to India. It has been a very nice time reading this.

Soft, Tasty & flavored Paratha recipes. I liked these recipes.

By GREG RICHARDSON

This cookbook is amazing and helpful. By the help of this book I have learned about Indian Paratha recipes. I heard this kind recipe name before, but did not know the main recipe. Last week my friend suggested me about this book and I did not late to purchase this book.

I am a food lover and I always like to read a recipe book. It is true that Paratha is a very special and most popular Indian breakfast recipe. Inside of this book I have found some popular and delicious recipes. The author of this book has described every recipe very clearly and step by step. I already tried one of them last night and it was really soft & tasty. If you want to learn this kind of recipe, then grab this book immediately.

Great tasting recipes!

By Ian

If you are looking for some great tasting Indian Paratha recipes, look no further than this book. The author provides a lot of recipes that not only teach you how to cook and prepare the bread, but how to cook it with different ingredients and foods. I now have several different recipes in my repertoire that I can go to when cook paratha. I have even shared this with some of my friends and they are now using it to cook all the time. Again, download this book if you are interested in cooking up some great paratha recipes!
