## Most helpful customer reviews

10 of 12 people found the following review helpful.  
Great for overall tune-ups and troubleshooting

By A Customer

Good diagrams and pictures, however not model specific. Detailed troubleshooting is difficult since book is geared to all models in these years. Great for finding part numbers, however I found 1 or 2 conflicting part #'s in the book.

0 of 0 people found the following review helpful.

Manual for dummies

By Ben

This manual teaches general concepts of how all of the Yamaha jet skis work. However, lacks model specific information and pictures.

0 of 0 people found the following review helpful.

Five Stars

By Davis J. Fairfax

Great reference manual!
