PRAYERS AND PROPHECYING (BUILD UP YOUR INNER MAN) BY ATEF MESHREKY PDF

Prayers and prophesying to build up our inner man. Learn how to pray and proclaim the blood of Jesus and prophesy to the members of our inner man through the verses of the Bible so that we can develop and mature our inner man toward the purpose of the formation of Christ within us.

Dr. Meshreky was devoted to medicine before being called to be set apart and committed for the Lord. In obedience to his calling, he became a consecrated celibate brother of the Coptic Church. He began to live a life in ministry, but faced spiritual struggles. He desired a holy life, but when comparing his spiritual reality to the picture of the true Christian life in the New Testament, he realized the disparity. Recurring sins/weaknesses remained; causing a yearning for a transformation that would manifest the grace of the New Testament. He entered into spiritual seclusion. During his seclusion years of worship, fasting, praying, and studying the word of God, He revealed rich mysteries and guided him to the way of the deep life in the Spirit. In his 40 years of ministry/seclusion, the Lord led him to discover the wells of the Early Fathers of the Church. These wells have rich springs, sources of living water of the Church that can lead us into deep/fulfilling worship in the Spirit. He has dedicated himself to share this with the body of Christ, in order to deepen the spiritual life enabling the Church to face end time challenges, reunite the mind of Christ in the Church East and West, and prepare the Bride for the second coming of Christ.

True treasure for our generation

By Amazon Customer

This book is amazing! Even though I know the blood of Jesus has the power, I never learned how to apply it practically. This book is like a map and true treasure for all Christians who have a hard time to be released from all of hidden bondage. I have been praying with this book over a year and feel that He is cleansing my soul very deeply. If you pray it out diligently, I guarantee that you will see its fruit!

I have been using this on a daily basis for myself and for my family. I have no idea about its impact in the heavenly realm but I trust in the wisdom of those who have gone before and who recommend this sort of diligent prayer. Profound thanks to Father Seraphim for its inception and to the team who have made this electronic version available.
