Three Stars

By Roy

consistently adds his philosophical views to interpretation and fails to observe what the text says

2 of 10 people found the following review helpful.

Gives you some things to think about

By Amazon Customer

I read this book as a requirement for a Dispensationalism class in Seminary. It gives you a look at what Progressive Dispensationalists believe. Since I am a classic Dispensationalist, I did not agree with much of the book. However, it helped me to understand their position. I wrote a paper on their view and subsequently received an A so the book did its job.

Something All Diligent Lay Christians Must Read

By MechPebbles

I am not a Christian with fanciful theological degrees from one of the acclaimed seminaries. No, I'm strictly a lay believer who loves the Lord and strives to understand His ways and His will. Before coming to this book, I had studied the Bible with more than 30 commentaries and thought I knew something about God's Word. Boy, was I self-deceived.

You see, I had never ventured into the area of Biblical Theology (as opposed to Systematic Theology). I had always considered divine covenants to be nothing more than an historical footnote in the history of Israel, with little relevance for today's believer. Thanks to this book I now understand how covenants are probably the most important theme in Holy Scripture.

No, you don't need to be a dispensationalist to learn from this book (I'm not one). And don't be fooled by people who harbor strong suspicions about dispensational theology. There's nothing heretic about its latest iteration, Progressive Dispensationalism. In fact, this book has only a relatively minor chapter on dispensations. Most of the book focuses on two important biblical themes: the covenants and the Kingdom of God.

One warning though: If you are a non-scholar like me, you'll probably find this book boring. But push your way through the pages and by the time you get to see how one covenant links to the next before finally arriving at the New Covenant, you will see the glorious redemptive plan of God. And when you get to the final chapter of the book, your soul will be overflowing with praise for the God of Abraham, Isaac and Jacob.
