Easy-reading

By Milla

Book is easy to read for the most part. However some of the chapters dealing in problem solving are not as intuitive or clear as they should be.

0 of 0 people found the following review helpful.

good book, interesting

By Amazon Customer

great book, tons of examples.... it made my class a lot easier... i like how it has cases that can be used to practice what you learn

0 of 0 people found the following review helpful.

great book

By Dayanara Martinez

It has helped me with my class and I am able to understanding. I love the stories about the different companies and their strategies
