"DELIGHTFUL, EDUCATIONAL, MOTIVATING!"

By Author/Reviewer Geri Ahearn

Jon Gordon delivers an intriguing and entertaining tale of how to overcome negativity. This delightful story teaches children how to find their inner-strength and pass on to others positive energy. Children will learn what negativity is through positive reinforcement and behavior. In addition, this book shows a child how to face bullies and everyday challenges as it encourages the benefits of a positive attitude, and how to stay that way. 'Energy Bus For Kids' is a fun-filled and enjoyable read with colorful illustrations, and a charming story that motivates and teaches. Highly Recommended for young children, teachers, and child-care providers!

Energy Bus

By Bogart

The concept of the book is good. I have the Energy Bus for adults and thought it was good. The Energy Bus for Kids uses vocabulary that is far too advanced for the age group suggested by the graphics. I looked for a recommended age group before buying the book but didn't find one listed. Judging from the graphics I thought it would probably be K-4. The terms used were far too advanced for that age group but the graphics were far too elementary for readers above the 4th grade. I've bought other Gordon books that were written for adults. They are worthwhile reads and good to use with work teams and groups but this one for kids missed the mark.
