Photos Toddlers Can Relate Too

By A Customer

Both my children have loved this book from about 13 months old to two years old. The photos show a little lamb kissing, hugging, drinking a bottle, eating, playing, sleeping, and being naughty by spilling a basket of apples - all things a young toddler can relate to and build vocabulary with.

great children's book

By A Customer

I owned this book as a child and 20 years later I am still fond of it. A sweet story about a young's girls love of caring for a new lamb. LArge color photographs throughout book. A nice addition for any child's library.
