THE RETURN BY ANA MATICS PDF

Near Haven is like any other small, dying fishing village dotting the Maine coastline—a crusty remnant of an industry long gone, a place that is mired in sadness and longing for what was and can never be again. People move away, yet they always seem to come back. It's a vicious cycle of small-town America. Liza Hawke thought that she'd gotten out, escaped across the country on a basketball scholarship. A series of bad decisions, however, has her returning home after nearly a decade. She struggles to accept her place in the fabric of this small coastal town, making amends to the people she's wronged and trying to rebuild her life in the process. Her return marks the beginning of a shift within the town as the residents that she's hurt so badly start to heal once more.

Five Stars

By Luiza Rocha

It's really quite brilliant! When words are chosen so delicately, it's awfully hard to stop reading.

1 of 2 people found the following review helpful.

Good book, great story.

By E F Larsen

I really enjoyed this book. The pacing worked quite well and all the characters were believable and human. Their shortcomings helped to drive the story without making any one of them feel fake. Their personal failures guided them to their personal strengths. I highly recommend this book for anyone looking for a slow-Sunday-type read.

3 of 4 people found the following review helpful.

TRULY EXCELLENT STORY AND CHARACTERS

By Randy

I was so very impressed with this story! This author has done an amazing job of creating characters who you can connect with, kept the story going at a quick pace, and made me actually stay up most of the night to finish reading about Eliza.

I **HIGHLY** recommend this book, and will admit that I am looking out for more of her writings, because she is definitely high on my list of new favourite authors.
