4 of 8 people found the following review helpful.

Now I understand

By Ed Galucki

Wanted to give 4 stars, but rated 3 because it is not an easy read. The concepts and reasoning make sense. Recognizes humankind's attempt to bring a much higher power to an understandable level; or to mold an ideal into a form that justifies oneself -- regardless of how far short one's actions fall. Will break rationalizations of believers, or explain the diversity of a common belief to a non believer.
