# THE UNOFFICIAL GUIDE TO WALT DISNEY WORLD BY BOB SEHLINGER PDF

Today book The Unofficial Guide To Walt Disney World By Bob Sehlinger we provide below is not type of normal book. You know, reading now does not imply to deal with the printed book The Unofficial Guide To Walt Disney World By Bob Sehlinger in your hand. You can get the soft documents of The Unofficial Guide To Walt Disney World By Bob Sehlinger in your gizmo. Well, we indicate that the book that we extend is the soft data of the book The Unofficial Guide To Walt Disney World By Bob Sehlinger The material and all things are same. The distinction is just the kinds of the book The Unofficial Guide To Walt Disney World By Bob Sehlinger, whereas, this problem will exactly pay.

## Amazon.com Review

The bottom line with Walt Disney World is that it's very, very big--so big that you won't be able to see everything in a single visit. With 43 square miles of entertainment to explore (an area twice the size of Manhattan), that means you need to choose, in advance, what you want to do. That's where the Unofficial Guide comes in. It describes the many Epcot, Disney-MGM Studios, and Magic Kingdom options, with candid reviews that don't just parrot Disney promotions, and it helps you construct a plan so that the overwhelming extravaganza of Disney World doesn't turn you into a Disney caricature of fear, knees-a-knockin' and sweat-a-streamin'. (Think Elmer Fudd with a shotgun in his face.)

The Unofficial Guide researchers are not, however, just a bunch of control freaks. They discuss existentialism. They claim to be all for spontaneity, in jazz, for example, or cooking. "When it comes to Walt Disney World, however, we all agree that you either need a good plan or a frontal lobotomy." They further agree that the purpose of the plan is not to tick off the activities on your list and make it to the end of the day. It's to enable you to enjoy, to actually experience, the many moments that make up a day at Walt Disney World. What a concept!

The Guide includes essential advice on navigating lines, dealing with line-hoppers, and attempting to eat without going broke. It provides excellent maps as well as lodging recommendations and budget options. Because your Walt Disney World preferences will likely be different depending on whether you're a family, a couple, a group of singles, or a pair of honeymooners, there are tailored suggestions for a variety of visitors, including tips for seniors, disabled guests, and expectant mothers. The Unofficial Guide is a fun and lively read, but it's also exceptionally useful. Unlike, say, a Magic Kingdom all-you-can-eat experience, it's a small investment for a very beneficial return. --Stephanie Gold

Excellent reference, take it with a grain of salt

By A Customer

This is a great book, we used it for our two recent trips to Disney and most of what was written turned out to be true. Now we are planning another trip in 2000 with our 1 year old and friends and their kids, and we're sending them a copy of this book (they've never been). We've been reading the section about traveling with kids and know now already which attractions to avoid and which ones to head to; based on honest advice that you won't find in any "official" guide.

However, you do have to keep in mind that this is someone's opinion and not necessarily fact (but it is the opinion of someone who has traveled to Disney World far more times than the average American). They print actual reader comments, usually pitting contrasting comments side by side, as a reminder that their advice is just that, advice and not fact. We went to a few attractions despite the written reviews, i.e. Alien Encounter, and found the reviews to be accurate insofar as the experience, however, our opinion of how good or not-so-good the attraction was differed from what was written.

A good reference, highly recommended. 13 of 13 people found the following review helpful.

Almost indispensable for your trip to Disney/Orlando

By Dave

I've been to Disney a few times, I purchased the 2014 version of this book also and while there is a lot of redundancy as many have pointed out, its to be expected. After all, Space Mountain today is the same as Space Mountain from 5 years ago so no reason to change a review. There are updates to the reading review ratings (small importance to me), the new restaurants/rides/etc (moderate importance) and the new fast pass system, which is the biggest change and probably the most important update that was made. If you have an older version of this book (ie under 3 years old), would I get it for those three things? Ehh, probably not. I think you could find the information for free online somewhere. If you don't, I'd highly recommend getting this book if its your first trip, someone in your group's first trip or haven't been in a while since A LOT has changed.

Pros:

- Great touring plans. When to go, what to fast pass vs what you should wait in line for
- Reviews of EVERYTHING. Hotels, both Disney and non, restaurants, car rentals, rides and even which water you should drink (ok, maybe not the last one)
- Each of the ride reviews has which age group it would appeal to and how much. Living with the Land for example (a trip through Disney's hydroponic gardens) was great for me as a 34 year old. My girlfriend's parents in their 60s will also likely enjoy it, while my 10 year old niece would say "why are we on this stupid thing and not a roller coaster??" That's a pretty obvious example, but the star system is a nice outline.
- The Disney title is misleading as it also has information for Universal, Sea World and other Orlando information.
- It doesn't give everything (specifically the restaurants and hotels) 5 stars. Obviously its skewed towards the positive as the people who put the book together enjoy Disney, but ratings don't go from "very good" to "excellent". There are some less than stellar reviews and they seem fairly honest when they say "go somewhere else instead of XX"
- It gives names, distances and prices of offsite places. Want some milk at the local grocery store? It will have where you can go and how far it is.

Cons

- It's a BIG book. This is not a book you'll be taking with you to the park. This is pre-trip reading. A small pull out section with a map, rides, etc would be appreciated.
- It's 100% black and white, no pictures. This is a bit nitpicky, but it would be nice if there were some color pictures of the restaurants. When they say "Animal Kingdom Lodge is beautiful" thats great...but what does it look like? And, again, nitpicky since you can get pictures online, but there are definitely some instances where some pictures would be helpful
- Not a whole lot of "Disney secrets" - information that I could get other places, but it would be nice if they

had some "secrets" or little known information about the rides For example, on the Haunted Mansion the Grandfather clock in the hallway has the number 13 at the top and bones for watch hands and the hands turn backwards. Things like that would be a welcome addition.

A few things that I'd like to note from my personal trips to Disney:

1. Take a few zip lock sandwich bags. They pack up small and if you're going on a wet ride (Splash Mountain) your phone will thank you. A gallon bag for your camera or tablet would be a smart take.
2. You'll be walking A LOT, 10 miles a day isn't unrealistic (this is mentioned in the book). Take comfortable shoes and moleskin (in case you start to get blisters). A small first aid bag (tylenol, band aids, and for me, tums) isn't a bad idea.
3. They have penny presses - put in a penny along with 50 cents and get an imprinted penny. A 51 cent souvenir at Disney? Sign me up!

Overall, you may only use the book a few times, but its \$10 or so. To make your several thousand dollar trip a bit better? It's a great purchase. Hope this review helps...and enjoy your trip :)88 of 95 people found the following review helpful.

Boy, Was This A Major Update!!

By L. Kramberg

When Len Testa said that there were to be major updates in what many of us consider to be the best guide (official or unofficial), that turned out to be an understatement. I only listed the "new" parts to the 2014 edition, but there are many more updates to the other sections as well. Here are most of the new items:

Coverage of Disney's new My Disney Experience website,

- \* New strategies for "park-hopping" (visiting more than one park per day).
- \* A new, detailed section on Disney's new RFID-enabled MagicBand wristbands
- \* A new, detailed section on Fastpass
- \* Our new list of the best Disney-specialist travel agents.
- \* Complete rewrites of the reviews for Universal's Hard Rock Hotel, Portofino Bay and Royal Pacific hotels, plus a look at the Cabana Bay resort scheduled to open in 2014.
- \* A review of the new Senses Spa at Disney's Grand Floridian resort. (
- \* A new review of the Waldorf Astoria Spa.
- \* A new section on cruising with kids
- \* A new overview of Disney's staterooms
- \* New stroller company recommendations and price comparisons with Disney's strollers.
- \* A simplified, comprehensive chart of where to meet characters for free in each of the parks.
- \* A new section on how to find the best rental car discounts. An updated section on how Advance Dining Reservations work, including new advice for speeding through Disney's online dining reservation system for hard-to-get reservations at Be Our Guest and Cinderella's Royal Table.
- \* New reviews of the Magic Kingdom's counter-service lunch and sit-down dinner at Be Our Guest.
- \* New "Author's Favorite Counter-Service Restaurants" for the Magic Kingdom, Epcot, Disney Hollywood Studios, and Animal Kingdom.
- \* New review of Les Halles Boulangerie & Patisserie at Epcot's France pavilion.
- \* New review of L'Artisan des Glaces Artisan Ice Cream & Sorbet at Epcot's France pavilion.
- \* New review of Gaston's Tavern at the Magic Kingdom.
- \* A preview of Morocco's Spice Road Table restaurant set to open in late 2013.
- \* A new review of the food at the Splitsville bowling alley in Downtown Disney.
- \* A new review of Monsieur Paul at Epcot's France pavilion.
- \* An update on the Fantasyland expansion construction, including the Seven Dwarfs Mine Train opening in 2014.

- \* A description of Fastpass loopholes found at the Magic Kingdom, including which attractions participate and how to take advantage of them.
- \* New review of A Pirates Adventure interactive game in Adventureland.
- \* A description of the new queue effects at Big Thunder Mountain Railroad.
- \* A new description of Fantasyland's updated layout, including theming, restroom and phone charging locations.
- \* New review for Ariel's Grotto.
- \* New review for the Casey Jr. Splash `n' Soak Station.
- \* New review for Enchanted Tales with Belle, including how to avoid long lines.
- \* New review of Pete's Silly Sideshow character greetings, including the best times to go.
- \* New review of Under the Sea - Journey of the Little Mermaid, including when to go.
- \* A summary of how Fastpass+ may change the best viewing locations for parades and fireworks.
- \* Many new Jim Hill anecdotes.
- \* New review of Chevrolet's Test Track ride and pavilion, including best times to visit.
- \* A re-review of Captain EO.
- \* News on Festival of the Lion King's move from Camp Minnie-Mickey to Africa.
- \* New review of Adventurer's Outpost character greeting.
- \* New review of Wilderness Explorers interactive scavenger hunt.
- \* Fastpass.
- \* Tips on how to get your children signed up for the popular Jedi Training Academy shows.
- \* A new review for The Legend of Captain Jack Sparrow.
- \* A new section on the Osborne Family Spectacle of Dancing Lights. Our Beyond Disney title has more expansive coverage of Universal Orlando.
- \* New section on lodging at UOR.

I'm looking forward to getting my copy next week for our trip next year. Anal retentives like me need time to plan.

P.S. - Don't forget to check out AllEars.Net for the best online info and consider subscribing to TouringPlans.Com. And if you do book a trip through Disney, register at My Disney Experience. Hope this helps. See all 1106 customer reviews...
