An Inspector Reynolds of Scotland Yard Mystery

In a darkened London cinema, a man slumps in his seat. At first, the other patrons think he is only asleep, but then, to their horror, they discover that the man is dead, stabbed while they had been watching the film. When Scotland Yard's Inspector Reynolds investigates he is surprised to find that the victim, a notorious blackmailer, is the same man who earlier that day had reported receiving a threatening letter bearing the single word "TO-NIGHT." With his only clue a witness's statement that a young woman entered the theatre with one man and left with another, Reynolds must try to solve the mystery of the Tragedy in the Dark.

Dark Derring-Do

By Aquila

Elaine Hamilton's Inspector Reynolds is always good fun, if you enjoy the complicated plots and sometimes overly exotic characters characteristic of the period. Reynolds himself is a bit of a plod, but the villains are grotesque and there is always a good girl who has gotten herself into deep waters but will be saved by a romance. Fun, escapist reading for those who enjoy even the second tier mysteries of the Golden Age.
