oyedepo financial prosperity book

By John and Tina

Amazon seller described book well and arrived quickly.

This book has popped up on my "want list" repeatedly over the last 2 to 3 years. I am a Spirit filled christian and was always reluctant to study finance. Didn't seem spiritual or whatever crazy idea and misconception I had. Could not be farther from the Truth!!

Book is well written, not amazing but reads easily and quickly. Short Chapters.

The information is bible based and will hit the "inner delete button" in your brain about finances and christianity. Awesome information. Great stories. Plenty of bible references.

What I like the most is Daniel Oyedepo has built a "kingdom-minded" church of believers in his home country WITHOUT asking for aid. The answers are all right in front of you. You will have to put in effort, but the results are exponential.

Other authors are MYLES MONROE. Check out his books. An awesome MP3 teaching is available from Neville Johnson. It is a 5 lesson set that deals first with the "Poverty Spirit". It is more than worth ten dollar download charge.

Back to Daniel Oyedepo's book. A keeper, a sharer, a re-reader.

great tool for understanding God's plan and his way to prosper his people!

By we win!

This book was an answer to prayer. It is not a typical "how to get rich" book. It is an anointed composition of principles, secrets hidden from the world and from those whose motives are not pure...It is a word of declaration from a proven prophet of God! His words are the words of a father, teaching his children how to win! The correction is hard but loving, direct and precise..Bishop Oyedepo shares testimonies from his own life that are simply amazing..This book will definitely pull the slack out!! A must read for all who are serious about financing the Kingdom of God and being an example of the sons of God in the Earth!(without

struggle or compromise)

After reading just a few chapters of this book , I whole heartedly agree with the man of God! 'I CAN NEVER BE POOR'!"The blessings of Abraham are mine now!"
