Beautiful and easy to make wedding crafts in this book!

By C. Brant

We all know weddings are extremely expensive. All of the flowers, cake, decorations, and dresses add to the total cost. However, you can reduce the cost of the wedding by doing decorations yourself. This book gives you a pile of great ideas of how you can do these craft projects yourself. In fact, handmade decorations are much better than store bought since it puts that personal touch on the wedding that you really are going to want to draw attention to. The wedding day itself is a personal day and the decorations that go with it should also match!
